

**Eskymo Fan Club
P.O. Box 168
Escanaba, MI 49829**

Whether you're a former Eskymo, was an Eskymo Fan Club member in the past or have never been a member, we are reaching out to you in hopes you would consider joining. The Eskymo Fan Club plays a major role in maintaining the number of sports that the Escanaba School District is able to offer our students. Each year we raise money and donate it back to the school to help support our athletic department. We have funded many, many projects over the years including refurbishing the gym floor, new lighting in the gym, a new speaker system for the football field along with cameras in both the gym and at the field in order to broadcast games. We purchase equipment, awards, plaques, uniforms, pay for all Post Season play for all teams moving beyond the normal sport season. All of this is just the tip of the iceberg when it comes to how we help fund things needed for Eskymo athletics.

We need your help and that could be as simple as joining the Fan Club. We have attached a membership form to the bottom of this letter in hopes you will consider joining. If you have any questions, please don't hesitate to reach out to us either through email at lbeauchamp@eskymos.com, message us on Facebook at Esky Fan Club or call me at 906-399-0839. I'm happy to answer any questions you may have.

We have a long time saying in the world of Eskymo sports... 'It's Always a Great Day to be an Eskymo!' We hope you think today is a great day to help support Eskymo Athletics!
